Admiral Stansfield Turner
Director - Designate
Central Intelligence Agency
McLean, VA 22042

Dear Stan:

Heartfelt congratulations on your new appointment. That spot has to be one of the most difficult and important in all of government, but I know you will handle it with your usual skill and intelligence.

My current job puts me in Washington two or three days a week. After you get settled in, perhaps we can get together for dinner - provided, of course, that you are allowed to consort with civilians in your new configuration.

Best regards,

CJ/hem
